

Pupil Premium Report 2016-17

Below is a summary of how this money is spent to impact on:

Total amount received by school: £10,405

- Attendance at school where previously this has been significantly low
- Student engagement in education and avoiding risk of becoming NEET
- Academic outcomes that will enable their transition to post-16 education
- Social skills which will help them transition to mainstream college and the workplace

| Vision | Spending |
|--|--|
| <ul style="list-style-type: none"> • <i>To provide a holistic and nurturing approach to personalised education and care that rebuilds the foundations for success.</i> • <i>To remove barriers to learning in order to inspire and empower children to develop self-belief, confidence, and so to achieve their potential.</i> • <i>To build resilience in children by providing a high quality specialised framework of support in which children are able to develop strong and positive relationships.</i> | <ul style="list-style-type: none"> • One hour per week with an experienced behaviour mentor to focus on social skills targets and development • Counselling where need is identified • Therapeutic activities provided by specialists • One member of staff assigned as pastoral tutor for each child • Activities and programmes which provide time and space for individual attention and opportunities for character building, self-regulation and reflection. |
| Mission | Spending |
| <ul style="list-style-type: none"> • <i>To place each child at the centre of their own individually-tailored curriculum and care-plan.</i> • <i>To adopt and develop a pioneering holistic approach to the dual functions of care and education so all our students can truly realise their potential.</i> • <i>To help young people achieve successful outcomes to their school placement through maintaining consistency, structure, boundaries and security.</i> • <i>To support young people in preparing for their future through the acquisition of new skills, strategies and belief systems.</i> | <ul style="list-style-type: none"> • Bespoke curriculum to meet the needs and aspirations of the child • High quality leaders and teaching staff to plan, deliver and assess • College placements as part of curriculum • Wide and carried curriculum to create opportunities for personal growth including outdoor learning spaces and off-site activities • Access to the full range of services from PKS (Potton Kare Services) • Independent advice and guidance on college places and careers • Experienced and fully trained behaviour management staff • Small group and one-to-one teaching across the curriculum • Student government programme to build social skills and prepare students for college and work • No extra charges for trips, visits and specialist speakers and workers • Support with uniform costs to develop a sense of pride |
